ACCOMMODATION OPTIONS

We offer our students a variety of accommodation possibilities (residence, apartment, homestay, etc.) Our consultants are always available to advise you on the best option. Do not hesitate to ask us!

RESIDENCE

If you want to live near the school and enjoy the comfort of a hotel, the residence will be the best option

SHARE APARTMENT

Flatshare affords the independent student a chance to live with other international students while studying in Madrid

HOMESTAY

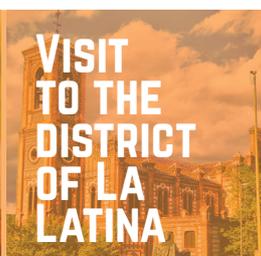

One of the best ways to achieve total immersion in Spanish language and culture (not to mention food) and practice what you learn in class
